

The Hong Kong Girl Guides Association Brownie Tour on Sex Knowledge – Know your body and protect yourself

Learning Goals

1. To learn about different body parts, including their locations and functions via activities, so as to realize the differences between boys and girls, and to protect themselves and to love their body.
2. Using real life situations to learn the correct ways in getting contact with others, to express their feelings and to handle inappropriate actions, in order to be self-protected and to establish friendship with respect.
3. To match up with the Sustainable Development Goals set by the United Nations (Goal 3 – Good Health and Well Being and Goal 5 – Gender Equality) so as to broaden the view to some global issues, and try to act on these goals.
