

Interested in volunteering at a WAGGGS World Centre?

6-STEP APPLICATION PROCESS

1

Explore current openings on the WAGGGS World Centres website and social media. For World Centres with flexible durations, please email the specific Centre to enquire first.

2

Fill out the volunteer application forms by sharing your personal information and answering questions about your motivation and experience.

It's your chance to shine, so let them know all about you!

3

Send your completed application forms to the International Office of HKGGA at intl@hkgga.org.hk to seek endorsement from the HKGGA International Commissioner.

4

Send your endorsed application forms to the World Centre. Once they receive it, they will reach out via email to set up a video interview with you.

5

Got an interview coming up? Take some time to prepare and boost your confidence! Check out the role description and know what skills and experience they want. You've got this!

6

Wait for your application outcome, and feel free to send follow-up emails if needed. Good luck!

Got more questions? Send an email to the HKGGA International Office at intl@hkgga.org.hk
